Dear Hadjer,

Thank you for your long letter.It was very interesting to hear from you.Your city, Tebessa , is very beautiful as the photo shows .Now,I would like to tell you about myself and my family .

I live in a little village about 20 kilometres away from Biskra city.I have got one brother and one sister; they both go to university.My mother is a teacher and my father is a doctor.He works for a public hospital in Biskra.He always goes to work by car.

About me,I usually go to secondary school on foot .Sometimes I take the bus.I generally have my lunch at home.I never eat at school canteen.I have to pass the Baccalaureate exam this year.I must work hard both at home or in the school in order to go to university.At the weekends,I either play basketball or visit my grandparents.I hardly ever go to the beach in holidays.

I look forward to your next letter.

Best wishes

Khadija
